Re: MB Docket No. 09-13; CSR-8126; CRS-8127

Dear Ms. Dortch:

On September 29, 2010, I was contacted by phone by Nancy Murphy, Holly Saurer and John Norton of the Media Bureau and Susan Aaron of the Office of General Counsel regarding two issues: (1) the timing of Time Warner Cable's ("TWC") response to the Emergency Petition for Temporary Standstill filed by the McAllen Independent School District ("MISD"); and (2) whether TWC's postponement of the digitization of PEG channels in certain Texas communities until October 15, 2010 covers the schools in the MISD. I stated that TWC would address both issues in its response, which we planned to file on September 29.

Please contact me if you have any questions.

Sincerely,

/s/ Cristina C. Pauzé
